

Case Study

Client – Live Nation

Venue – Bristol Hippodrome

Project – Cast Bar

Architect – n/a

Consultant – n/a

Project Value – £25k

Having had to close the cast bar due to an imminent ceiling collapse, Fagan Electrical mobilised a team to make safe and remove the affected electrical system, enabling a replacement ceiling to be installed

This was complemented with a replacement dimmed atmospheric lighting system, as well as a high quality sound and video system.
